Technical report

DELTA-N312765, DANAK-19J2247

Manufacturer code

2247B

Certificate valid until

11 May 2011

This product has been tested by DELTA EC Cabling Group and complies with the electrical requirements of the above specified standards including all link exogenous crosstalk (PS ANEXT and PS AACR-F) parameters tested in a six around one configuration. Furthermore, it complies with "Terms and conditions for use of the EC VERIFIED marking on generic cabling products", DQP231006. The product takes part in a maintenance of certification schedule, which implies that DELTA EC Cabling performs a sample test of the product once a year.
